

PERSONAL TOKEN TERMS OF SERVICE

These Terms of Service ("**Terms**") form a binding legal agreement between each person who holds or has redeemed [[Token Name]] ([[Token Symbol]]) tokens ("**you**") and related issuers ("**Consultant**"). [[Token Symbol]] tokens exist on the Ethereum blockchain at an address generated by the ERC-20 token program located at 0x8f274b3c49F02029640B55c2E1972fbfCf445923.

Acquiring [[Token Symbol]]

1. By acquiring or holding [[Token Symbol]], you have the following rights:
 - (a) to redeem [[Token Symbol]] for Consultant's services; and
 - (b) to sell, transfer, lend, gift, burn or otherwise deal with [[Token Symbol]] tokens as you see fit. This right is enforced by the [[Token Symbol]] smart contract and the Ethereum blockchain and is noted here for completeness.
2. These Terms do not impose any obligations or liability on you if all you do is acquire, buy, sell or hold [[Token Symbol]]. Redemption of [[Token Symbol]] is subject to the terms set forth below.

Minting and burning of [[Token Symbol]]

3. There is a maximum supply of [[Token Supply Cap]] [[Token Symbol]] tokens that will ever exist. Consultant may mint more [[Token Symbol]] at any time, provided the maximum supply is not exceeded.
4. Consultant may burn any amount of [[Token Symbol]] held by Consultant at any time. Consultant does not have the right or ability to burn [[Token Symbol]] that Consultant does not hold.
5. The above rights are enforced by the [[Token Symbol]] smart contract and the Ethereum blockchain and are noted here for completeness.

Redeeming [[Token Symbol]]

6. You can redeem [[Token Symbol]] by sending it to 0x[[Token Issuer]] and/or by means of other redemption methods offered by Consultant.
7. You cannot redeem [[Token Symbol]] for any services that:
 - (a) are not listed or otherwise agreed between you and Consultant prior to redemption;
 - (b) are prohibited by the laws or regulations of any jurisdiction(s) that you or Consultant are subject to; or
 - (c) would require Consultant to assist in or provide advice about how to commit, or avoid detection or prosecution for the commission of, any illegal act in any jurisdiction.
8. If you attempt to redeem [[Token Symbol]] in contravention of the requirements listed in *section 7* above, Consultant reserves the right to refuse to provide Services and not refund any [[Token

Symbol]] that you have redeemed.

9. In order to avoid any doubt, Consultant may require you to sign a message from the same Ethereum address that you redeemed \$[[Token Symbol]] from. This will only be required if there is any doubt or dispute about the person(s) claiming to have made the redemption transaction.

10. All \$[[Token Symbol]] tokens will expire at 11:59pm Pacific Time on December 30, 2025. After this time, the tokens may still exist in the smart contract on the Ethereum blockchain, but you will not be able to redeem them for Consultant's services unless otherwise noticed by Consultant.

11. Provided that the above criteria are met, Consultant agrees to provide professional services ("*Services*") to any person who redeems \$[[Token Symbol]], on the terms set forth in these Terms and as otherwise noticed by Consultant.

14. Consultant's relationship with you will be that of an independent contractor, and nothing in these Terms is intended to, nor should be construed to create a partnership, agency, joint venture, or employment relationship. Consultant is not entitled to any employment benefits from you. Consultant will provide and use their own computer and all other equipment required to perform services for you.

15. Apart from redeeming \$[[Token Symbol]], you do not have to pay any other fees for the Services.

Consultant agrees that any and all work product developed by Consultant alone or in conjunction with others in connection with the performance of services pursuant to these Terms is and shall be your sole property, and Consultant shall retain no ownership, interest, or rights therein. All claims against Consultant shall be deemed waived unless made in writing and received by Consultant within one month after completion of the Services with respect to which the claim is being made.

22. You accept and acknowledge that there are risks associated with holding or using \$[[Token Symbol]] and using the Ethereum Network, including but not limited to, the risk of losing access to your Ethereum address due to loss of private keys, seed words or other credentials, and the risk of unknown vulnerabilities in the \$[[Token Symbol]] smart contract code or the Ethereum Network Protocol. You acknowledge and accept all such risks and agree that Consultant is not responsible and is not liable for any loss of value you may experience as a result.
