Reformed Insider Turned Activist

Born: Rude Grad: NYU

Year: 199?

Nomi Prins worked inside Wall Street's most notorious institutions and rubbed elbows at C-Suite level. She was disgusted at what she found and walked away after seeing it everywhere. She's the author of over half a dozen books on the ways Wall Street colludes with its partners to rip off Main Street and convince you to accept it, or worse, help them do it.

"After years on Wall Street the levels of greed, unparalleled influence, and unethical practices [...]"
