

## **1.0 - PARTIES**

This agreement ("Agreement") is a legally binding agreement between Mike Shupp ("Artist") and the individual or entity seeking to acquire the NFT defined below ("Buyer" or "you") setting forth the terms of sale and use for Buyer's acquisition of the NFT defined below. By minting or purchasing the NFT defined below, both Artist and Buyer acknowledge and agree to the terms and conditions set forth in this Agreement and agree to be bound by same.

## **2.0 - CONVEYANCE OF RIGHTS**

**2.1** For the purpose of this Agreement, the "Another Life" ("NFT") means the non-fungible token created by Artist and first auctioned for sale on OpenSea ("Platform"). For clarity and the avoidance of doubt, in the event of a conflict between the terms of this Agreement and the terms and conditions of the Platform, the terms and conditions of the Platform shall control to the extent applicable. The NFT embodies or represents a song consisting of a musical composition (i.e. notes and lyrics) entitled Another Life (the "Composition") which Composition is embodied in a master recording (i.e. a recorded performance of the Composition) (the "Master") as combined with certain artwork owned and/or controlled by Artist (the "Artwork"). As used herein, the Master, Composition, and Artwork embodied in the NFT (i.e. as opposed to the NFT itself) are sometimes collectively referred to herein as the "Work". Additionally, the NFT may, but is not guaranteed to, include or entitle its current owner to benefits such as off-chain assets, exclusive access to certain events or websites, or "air-drop" benefits, as determined from time to time by Artist in Artist's sole and absolute discretion ("Added NFT Benefits"). The NFT may be acquired by you through primary sale on the Platform, or by subsequent sale or transfer from a legitimate source.

**2.2** Subject to and conditional upon your compliance with these Terms, Artist grants to you the following limited rights with respect to the NFT (together the "NFT Rights"):

**2.3** Artist hereby grants to Buyer a non-exclusive, a worldwide license to access and/or display the NFT, solely for your personal, non-commercial purposes. For clarity, when Buyer acquires the NFT, Buyer owns all personal property rights to the NFT (e.g., the right to freely sell or transfer the NFT), however such rights do NOT include the ownership of, or any other rights to use or exploit, the Work, the intellectual property rights contained in the Work, or Artist's name or likeness. For clarity, The NFT is separate and distinct from the Work, and Buyer's purchase of the NFT shall not grant

Buyer any specific rights to the Work itself (including, without limitation, copyrights, or exploitation rights) as more fully set forth in section 2 below.

**2.4** Please read carefully before proceeding. This is a binding legal contract and affects your rights.

**2.4.1** YOU UNDERSTAND AND AGREE THAT BY ACQUIRING THE NFT, YOU ARE AGREEING TO BE LEGALLY BOUND BY ALL OF THESE TERMS AND CONDITIONS, WHICH INCLUDE LIMITATIONS ON USE, DISCLAIMERS OF WARRANTY, AND LIMITATIONS OF LIABILITY.

**2.4.2** Artist grants the NFT to Buyer on an "as is" basis without any other specific promises of any kind. For clarity, and without limitation, Artist does not represent or warrant that the Work does not infringe any proprietary rights or copyrights, that third parties have not created or downloaded their own copies of the Work, or that third parties will not attempt to sell their own NFTs featuring such Work. Artist has no obligation to take down any other NFTs featuring such Work.

**2.4.3** Except for the license granted in this section, Artist retains all right, title, and interest in and to the Work (i.e. all rights in and to the Work not expressly provided for in this Agreement are hereby reserved by Artist.) Buyer acknowledges and agrees that (a) this Agreement does not convey any rights in the Master, Composition, or Artwork, or any other rights, interests, revenues or royalties earned from their commercial exploitation (specifically including, but not limited to, publishing royalties, licensing fees, or streaming revenues), and (b) this Agreement does not convey to Buyer any right to use the name, image or likeness of Artist; provided that Buyer may use Artist's name as necessary to accurately describe the NFT.

**2.4.4** Only limited personal non-commercial use and resale rights in the NFT are granted, and you have no right to license, commercially exploit, reproduce, distribute, prepare derivative works, publicly perform, or publicly display the NFT or the Work contained therein. All copyright and other rights contained in the NFT or Work are reserved and not granted.

**2.4.5** For clarity, a "non-commercial license" means that Buyer may sell the NFT on a secondary market, but shall not have the right to engage in any of the other following commercial activities: (i) make money by charging tickets or licensing fees to third parties for the right to view, listen to, or use the NFT; (ii) publicly perform or broadcast the NFT at an event for profit or a place of business; (iii) incorporate the NFT into any other product or service that generates a profit; (iv) use the NFT to promote any other person, product, or business. For further avoidance of doubt, Buyer may only profit from the NFT by reselling the NFT in its entirety on a secondary market.

**2.4.6** For clarity, not modifying the NFT or preparing "derivative works" means that the Buyer shall not have the right to engage in any of the following activities: (i) use the Work (i.e. Master, Composition, and Artwork) from the NFT in any manner separate and apart from the NFT as a whole; (ii) distort, recolor, reformat, or otherwise change the "look and feel" of the NFT or (iii) create "remixes", "alternate versions", "prequels/sequels" or other ancillary content that references the NFT (including any specific themes or characters contained therein).

**2.4.7** To the extent applicable and provided for under existing law, Artist will be entitled to all public performance income generated in connection with the public performances and/or digital transmissions of the Work, if any.

### **3.0 - REPRESENTATIONS AND WARRANTIES**
