England, Canada, Australia and many other countries are led politically by “Prime Ministers” to the Queen. In fact she is the official head of 123 commonwealth countries. America, Russia, and other countries, however, have a “President” and “Vice-President.” Usually corporations have Presidents and Vice-Presidents. What does this mean? The US Presidents rule from the “White House.” The Russian Presidents also rule from the White House. The Jesuits, a large force behind the Illuminati, have their own White House as well. England is ruled from “Whitehall.”

*“The United States government is being ruled from the ‘White House,’ the government of England is being ruled from what is called ‘Whitehall,’ and Whitehall, like our White House, is the symbol of power because the hall is like the Masonic hall, the lodge hall, the union hall.” -Jordan Maxwell, “Matrix of Power”*

*“For those who think America controls the roost it would do well to consider that the Queen of England is still the official head of Commonwealth (123 countries) and the official monarch of Australia and Canada along with the United Kingdom ... add to that the fact that all Bush Sr. got for his two terms as president of USA is a mere knighthood of the British Empire.” -Prash Trivedi*

corporate advertisement, not a flag. You

surrender with a white flag, no colors. When you get mad you show your true colors. If you just won independence in a bloody revolution with Britain would you choose the same three colors for your new US flag? Why does “every heart ring true for the red, white, and blue?” What about the gold-fringed flag used by the military, hung at all courts, schools, and government buildings? It all has to do with the British Maritime Admiralty Law of Flags.

“This is also known as British Maritime (military) Law and this is why the American flag always has a gold fringe when displayed in the courts of the United States. You find the same in

government buildings and federally funded schools. The gold fringe is a legal symbol indicating that the court is sitting under British Maritime Law and the Uniform Commercial Code - military and merchant law not common or constitutional law, under the Admiralty Law of Flags, the flag displayed gives notice of the law under which the ship (in this case the court) is regulated. Anyone entering that ship (court) accepts by doing so that they are submitting to the law indicated by that flag. Judges refuse to replace the flag with one without a fringe when asked by defendants who know the score because that changes the law under which the court is sitting. If you appear in a court with a gold fringed flag your constitutional rights are suspended and you are being tried under British Maritime (military /merchant) Law.” -David Icke, “Tales from the Time Loop”

International Maritime Admiralty law, the law of the high seas, began in Sumeria, was perfected in Rome and continues to this day. Jordan Maxwell has explained that the way we trade commerce today is modeled after the Masons' /Templar Knights' 1000 year old system. “ship” it. The ship pulls into its “berth” and ties to the “dock.” The Captain has to provide the port authorities with a “certificate of manifest” declaring the products he has brought. Through a legal loophole the royals have created, US citizens are considered property of the queen under British Maritime law. Since we are born of our mother’s water, from her “birth canal,” we are thereby a maritime product, a “shipped” commodity. Our mothers were delivering a product under maritime law and that’s why we are born in a “delivery room.” That’s why the “doc” signs your “berth” certificate, your “certificate of manifest.” You’re kept in the Maternity “Ward.” Why a ward? No other hospital areas are called wards. Prisons have wards and wardens.

The United States Corporation came about just after the civil war. The Act of 1871 was passed by congress creating a separate form of government for DC, essentially turning it into a corporation. It was decided that employees would be called “citizens.” So when you say in court or on paper, that you are a citizen of the United States, you are not a free American, but an employee of US Inc. When you get a fine, a ticket, a bill, or get sued, you must sign in all capital letters. When you die your Masonic tombstone by law will have all capital letters to show their employee has died. The entity that is your name in all caps is your maritime admiralty product code. Upper and lower case legally represents you, your body.

*“The Uniform Commercial Code was approved by the American Bar Association, which is a franchise, a subordinate branch, of the British legal system and its hierarchy based in London’s Temple Bar (named after the Illuminati Knights Templar*

*secret society). As I have been writing for many years, the power that controls America is based in Britain and Europe because that is where the power is located that owns the United States Corporation. By the way, if you think it is strange that a court on dry land could be administered under Maritime Law, look at US Code, Title 18 B 7. It says that Admiralty Jurisdiction is applicable in the following*

locations: (1) the high seas; (2) any American ship; (3) any lands reserved or acquired for the use of the United States, and under the exclusive or concurrent jurisdiction thereof, or any place purchased or otherwise acquired by the United States by consent of the legislature of the state. In other words, mainland America. All this is founded on Roman law because the Illuminati have been playing this same game throughout the centuries wherever they have gone. The major politicians know that this is how things are and so do the government administrators, judges, lawyers and insider 'journalists'. Those who realize what is happening and ask the court for the name of the true creditor or recipients of the fines imposed by the 'legal system' are always refused this information by the judge. The true creditors in such cases, and the ultimate recipient of the fines, are the bankers to which the corporation 'country' is bankrupt." -David Icke, "Tales from the Time Loop"

Lawyers or "barristers" have to take the Bar Association "bar" exam just as alcoholics go to the "bar," sugar-junkies eat candy "bars," and gamblers hope to get 3 "bars" on the slot machine.

These all derive from the Templar's turn of the 13<sup>th</sup> century "Temple Bar" in England. Originally the Temple Bar was literally just a bar or chain between two posts next to the Temple law courts. This soon became a huge stone gate and there were eventually eight of these gates built so the elites could restrict/control trade within the city of London. They were taken down during 19<sup>th</sup> century, but then each stone was numbered and kept in storage until 2004 when they just re-built the Temple Bar in London.

*"The United States corporation was created behind the screen of a 'Federal Government' when, after the manufactured 'victory' in the American War of 'Independence', the British colonies exchanged overt dictatorship from London with the far*

*more effective covert dictatorship that has been in place ever since. In effect, the Virginia Company, the corporation headed by the British Crown that controlled the 'former' colonies, simply changed its name to the United States and other related pseudonyms. These include the US, USA, United States of America, Washington DC, District of Columbia, Federal Government and 'Feds'. The United States Corporation is based in the District of Columbia and the current president of the corporation is a man called George W. Bush. He is not the president of the people or the country as they are led to believe, that's just the smokescreen. This means that Bush launched a 'war on terrorism' on behalf of a private corporation to further the goals of that corporation. It had nothing to do with 'America' or 'Americans' because these are very different legal entities. It is the United States Corporation that owns the United States military and everything else that comes under the term 'federal'. This includes the*

Federal Reserve, the 'central bank' of the United States, which is, in reality, a private bank owned by controlling stockholders (and controllers of the US Corporation) that are not even American. This is the bank from which the United States Corporation borrows 'money'.  
-David Icke, "Tales from the Time Loop"

"If you notice on the bottom of your birth certificate it says Department of Commerce. It is a property of the Department of Commerce because you are nothing more than a piece of commercial material. That's why if you're out of work you don't go to the unemployment office, you go to

the Office of Human Resources, because you're just a human resource." -Jordan Maxwell, 1990 Slideshow Presentation on Hidden Symbols

The Judge sits on the bench for the bank. Banks are on both sides of a river. A river bank directs the flow of the current/sea - the currency, the cash flow. The current-sea is "deposited" from bank to bank down the river. We're just "consumers" to advertise to, just "human resources" to be used up like batteries, and they are the "social engineers," molding us "useless eaters" into wage slavery.

Interesting post Eric.

I don't claim this is true, but here's a theory that springs to mind concerning White House an White Hall. Someone might know better.

Some salt crystals have a distinct pyramid shape, stepped like the mayan and egyptian pyramids. Some types of kosher salt are pyramidal too. Salt, of course, is used for purifying and preserving and has many symbolic/ceremonial references.

Could there be a connection between pyramids, salt, and the White House? Perhaps this is trying too hard to find a meaning, but there's the thought anyway.

Hi Eric!

The more I research the word "BAR" the deeper into Irish Chaldee and Cuthite history I go.

From here, Bar = Saturn:

<http://books.google.ca/books?>

[id=\\_tZUAAAACAAJ&pg=PA469&lpg=PA469&dq=bar+irish+cuthite+saturn&source=bl&ots=T\\_HNQv55az&sig=CK9Ks1rySSKYfblYKswVIGkTqho&hl=en&sa=X&ei=AZe0U\\_2iNNKfyATiiYL4CA&ved=0CCgQ6AEwAQ#v=onepage&q=bar%20irish%20cuthite%20saturn&f=false](http://books.google.ca/books?id=_tZUAAAACAAJ&pg=PA469&lpg=PA469&dq=bar+irish+cuthite+saturn&source=bl&ots=T_HNQv55az&sig=CK9Ks1rySSKYfblYKswVIGkTqho&hl=en&sa=X&ei=AZe0U_2iNNKfyATiiYL4CA&ved=0CCgQ6AEwAQ#v=onepage&q=bar%20irish%20cuthite%20saturn&f=false)

Saturn was also Cush, Baal and Bel and Nimrod:

<http://www.scribd.com/doc/174221658/Ireland-Ur-of-the-Chaldeas-Wilkes>

And as admiralty courts only have jurisdiction over dead, as in legal fictions, or corporate entities they are temples to Saturn - Lord of the 7 Rings.

[www.saturndeathcult.com](http://www.saturndeathcult.com)

Saturn is "Da'ath" in the kabalistic Tree of Life, death.

The Saturn Moon matrix as SIN is the Moon. The root chakra for females is governed by Saturn, the 7th seal. But that would be the crown chakra from a masculine perspective - or am I cross wired here?

In English bar is first recorded in the 12 Century, and refers to a barrier, crossing the threshold of which allows one to occupy an exclusive position.

In Aramaic bar means "son of" which of course is also to hold an exclusive position.

The Hebrew bar mitzvah literally means "son of commandment" and is not just the name of the ceremony but something the boy becomes. By becoming a son of the commandments he places himself under their authority and can be held ethically responsible.

Therefore, one who passes the bar exams becomes a son of the law. One who crosses the bar in a pub becomes a son of alcohol and so on. It signifies crossing a threshold and placing oneself under it's power.

A barbarian, note the double bars, is a foreigner who lives under the rules of a different culture: he is the son of a that which is bared. To be barbaric is to behave in ways that are bared.

A bard is someone who takes an audience across the threshold of reality into fantasy. He leads people to experience and think in ways that are normally bared to them — a prototype for our culture changing, mind controlling media.

To barter, is not merely to trade but to haggle, and was always associated with cheating, deception, and treachery; shockingly it's also connected to sex. To barter is to try and put someone under your power.

Well, folks, don't be barmy.

If in Aramaic bar means "son of" and that means under the jurisdiction and power of, then Jesus as the son of God may signify only that he was acting under the power of God, not he was God in the sense of the trinity. Well, Christian theologians have been arguing about this for centuries, and I'm sure there's a lot more to the debate, but it's certainly interesting.
