Human Rights Activist

Born: 1942 Grad: Hard Knocks Year: 1960

Lucy Komisar was covering the civil rights movement in the 1960's as it was happening. She's been fighting for women's rights ever since. That battle has taken her into the financial world over the decades. Lucy is reporting and tracking the weakening of laws that make white collar crimes more difficult to prosecute and those who break them.
