Stock
manipulation

2000-2021
20 litigated cases
involving Naked
Short Selling

2022+
Two currently pending
cases involving Naked
Short Selling

Retail's Long Arm

Born: 195? Grad: S TX Law

Year: 1978

Wes is Managing Partner of Christian Levine Law Group. He has been investigating Naked Short selling cases for over 20 years and practicing civil law for over 40. The firm currently has two suits pending in 2022 against Naked Short selling. Ultimately, according to Wes, the legal system needs to force changes upon the financial system. To do that, you need to be a bigger bully than Wall Street.

"In Texas we call that Stealing."
