WITH YOUR CHANGE

CASH
IS FREEDOM.

Private by default.
Offline by design.
Yours, not theirs.

THANK YOU FOR TAKING IT.
Keep the change. Keep the choice.

WHY CASH MATTERS

FOUR REASONS THAT FIT IN YOUR WALLET

01 **PRIVATE**
No bank record. No app. No trail.

02 **OFFLINE**
Works when the power and the network don't.

03 **FREE**
No one can freeze, block or de-platform it.

04 **YOURS**
Every note you spend keeps the option open.

PAY CASH. ASK FOR CHANGE.

Next time you have the choice, choose cash.
