The Primary Petals are the main confirmed activities an individual has.

Analysts  
Consultants &  
Middlemen

The Depository  
Trust and  
Clearing Corp

Petals help visualize the purposeful obfuscation of the financial market connections.

Hedge Funds  
Market Makers  
Firms & Brokers

Big Banks and  
the Federal  
Reserve System

Retail is clearly lacking influence in the Market and conflict of interest is everywhere else.

Market  
Regulators

## Primary Petals

Originally, the influence star was going to show off how each person could influence the other through their connections.

Upon researching these cards, it quickly became obvious that everything financial is heavily connected, basically crony capitalism and aimed at retail.

The only thing the big companies don't have inside the influence star is activism. Awareness is spreading. Education is power.
