

## Red Pill 101: PAST Evil Empire of America, PRESENT American Revolution 2.0 2020, FUTURE Ascension of Heaven on Earth

December 29, 2020

*“Progress, far from consisting in change, depends on retentiveness. When change is absolute there remains no being to improve and no direction is set for possible improvement: and when experience is not retained, as among savages, infancy is perpetual. **Those who cannot remember the past are condemned to repeat it.**” ~ George Santayana, *The Life of Reason*, Vol. 1.*

I wrote a summative essay [after 43 years](#) of academic training, professional experience, and civic activism that I now repurpose as **Red Pill 101** in three sections:

- **History** of *Evil Empire* up to the present
- **Current** *American Revolution 2.0*
- **Emerging** greatness beyond words

Professor Emeritus [Jim Fetzer](#) and I discuss for 111 minutes on Tuesday December 8 on *The Fetzer Presents*:

*111-minute video discussion [here](#) on BitChute*

### Summary:

**Past:** In American history over just the last ~200 years, the US viciously emerged as the leading power of an ongoing, looting, lying, [rogue state empire](#). The US *Evil Empire* is easily **proven** by recent [Orwellian-illegal Wars of Aggression](#) into [resource-rich](#) strategic foreign lands. Americans and the world have been duped by corporate media literally “covering” War Crimes with lies *known to be false as they are told*. These lies are treason because they directly cause attacks and death to our military. After these lies pass from “news,” they live forever in [public education textbooks](#), with real history of rogue state empire sanitized to “bringing freedom” and “fighting totalitarianism, communism, terrorism, [Covid](#) (and [here](#)),” and whatever other *ism* the *Empire* may invent. Concurrently, the so-called “Federal” “Reserve” creates and traffics in the *opposite of money* (debt) to intentionally create exponential aggregate debt that mathematically *must* crash into periodic “Great Resets.” Given these overarching facts most important to quality of life and quantity of money, the most accurate academic label of this form of government is *US/Global Evil Empire*, and **not** limited government of a constitutional republic. If you have a better label, I’d like to engage in that argument. Obviously, people must withdraw all consent and demand arrests of .01% criminal oligarchs annually **killings millions, harming billions, and looting trillions** (~\$100 trillion). There is more history to account for in shaping the present, that can only be revealed in the future (cryptic, yes, and also in the **Future** section).

**Present:** This past causes our world in the present. The obvious response of those informed is to demand .01% arrests for ongoing crimes centered in war and money. Awake Americans and Earthians are indeed engaged in [American Revolution 2.0](#), which is a global revolution to expose and destroy the *Evil Empire/Deep State*. There are **~100 areas of powerful and game-changing proofs demanding revolution**. Among the case studies are the *Evil Empire assassinating President Kennedy, Robert Kennedy, and Dr. Martin Luther King* to remove powerful public voices inspiring Americans to stand. *The Evil* cast lies in real-time through [CIA Operation Mockingbird](#) “reporting,” then **lies to our children in “schools”** with purpose to weaken then cull their wanna-be slave class of stupefied work animals. [American Revolution 2.0](#) is at the endgame to prove **2020 election fraud** (and [here](#), [here](#)), expose and end *The Evil*, and unleash a future brighter than humans can imagine (ongoing [current events reporting](#)). Election fraud follows **factless “Russia-gate,” crime-less impeachment**, and the **illegal prosecution of General Flynn**. Americans, and all Earth’s inhabitants, have been under **constant attack** by this wanna-be Empire class and their minions. *We the People* must choose between truth to arrest these .01% psychopaths, or be crushed forever under propaganda and slow-kill tortures.

**Future:** Ending war, basic economic reforms, and Truth will unleash humanity for the first time in known history. Humanity will have freedom to build “Heaven on Earth” as best we imagine. Building a brighter future occurs in the present, and is informed by the past. The more accurate the history, the more effective the work. If key historical elements are missing or misunderstood, we risk re-capture by *Evil*; therefore, we must invest full attention to what *The Evil* actually is to appreciate how it controlled Earth for all recorded history. Crucial to this point: [megalithic architecture demonstrates](#) advanced ancient technology **proven** by literal rock-solid evidence of 1,000+ ton building materials, precision cutting, and rate of core-drilling, **all of which are greater** than “modern” technological capacities. Given the totality of evidence, speculative history of *The Evil* reasonably includes literal and figurative *Genesis*, with likely origin of *The Evil* as an invasive predatory and parasitic extraterrestrial species who manipulated human DNA to become *sheeple* (further speculation [here](#)).

Because **human beings have been lied to about everything**, the basic and biggest questions are appropriate and essential. Nothing we’re “informed by” from our “leaders” is reliable, with the above game-changing facts that are objective and independently-verifiable absolutely refuting “official stories” as **proven lies**. Despite the power of Truth, as of December 2020, approximately 98% of human beings live their lives based upon what they’ve been told by Evil, a population of sheeple under dictatorship. *American Revolution 2.0* determines the future for all Earth’s inhabitants, with everyone having free choice where that future shall be.

Because Evil’s purpose is to control human beings as a slave race, everything we’re told is to remove freedom and our healthful power to recognize truth. Evil must practice torture in order to remain a successful parasite over a dominated human species. *We the People* must rise, stand, and demand .01% arrests to become free beings. Everyone who’s attempted to win genuine solutions to upgrade quality of Life discover the Evil, and that no genuine progress is possible with Evil in charge of Earth.

Victory in *American Revolution 2.0* will release suppressed history and technology to best answer:

- *Who* are human beings as a species and individuality? (for example, [frugivores?](#))
- *What is Earth?* (consider this [6-minute video](#), fellow *Truman Show* captive)
- *When* will “Hell on Earth” be completely over? ([Ascension?](#) [How many times have we been “reset”?](#))
- *Where* are we relative to other advanced life, which includes “God”? (consider if we/[All is One](#) in a fractal-holographic game-level)
- *Why* was *The Evil* allowed? (my [speculation](#))

The following bullet points provide further explanation, documentation, and proof.

## Past: Proving US/Global Evil Empire

- **Ending poverty:** I attended [The Hunger Project](#)’s initial events with [Buckminster Fuller](#) and [Werner Erhard](#) in 1977. I invented a UC Berkeley major for ending global poverty, and helped grow the citizens’ political lobby [RESULTS.org](#) to ~100 US communities and 7 nations. RESULTS were leading voices to create 2 UN Summits for heads of state: 1990 World Summit for Children (largest meeting of heads of state in world history at the time) and 1997 Microcredit Summit (microcredit’s founder awarded 2006 Nobel Peace Prize). The total number of lives saved from this work is ~500 million; most from microcredit reaching [over 100 million](#) of the world’s poorest families over a decade ago, and likely 200 million families now in 2020. We discovered that both political parties’ so-called “leaderships” only and always lied to us; reneging on all promises to end poverty (public and private promises). We discovered corporate media only and always lied to the public (consider this [NY Times hit piece on the 1990 summit](#)). This [slaughter of innocents](#) hidden by intentional disinformation = **powerful evil**.
- **Follow the money:** I encountered [Bill Stills](#)’ 1996 documentary *Money Masters*, that as a high school Economics teacher began research that led to my 2015 published paper that monetary reform + public banking = [~\\$1 million/household benefits](#). I helped begin lobbying that continued to the [Public Banking Institute](#)’s legislation passed in California. Important to demonstrating active and evil empire, corporate media fail to report this economic breakthrough. This means our “evil masters” not only want horrific soul-crushing poverty, but also that middle-class Americans be so tortured by debt that they can’t raise their heads to see the *Evil Empire*.
- **I had to conclude what anyone would:** the US leads a global evil empire lying about poverty and obvious solutions. US leadership is therefore guilty of [Crimes Against Humanity](#) from poverty-murdering ~1 million children every month, while pimping illegal wars and Orwellian-debt slavery. Everything [corporate media](#) and [public education](#) communicate are provable lies in any area important to defend and expand the Empire. My [published paper](#)’s title describes our condition: *‘Emperor’s New*

*Clothes' political collapse: Seizing an alternative to OBVIOUS unlawful wars, bankster looting, lying corporate media. As in the folktale, we real-world "Truthers" are perceived by "adults" as petulant children pointing to what is impossible to exist. We Truthers/Patriots refute all counterarguments with facts anyone can verify with a quick look and engaged eyes. Patriots work as passionately and intelligently as we can imagine; hopeful our real-world victory comes in the relative instant as in the story.*

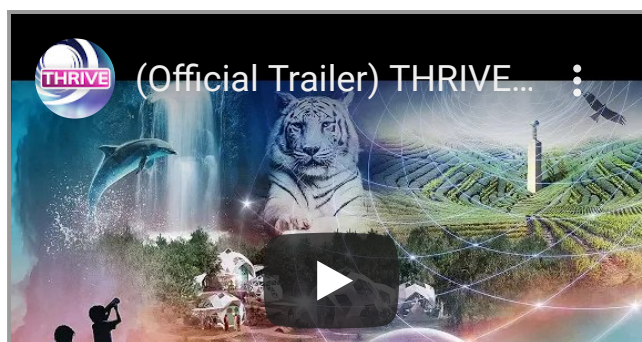

## Present: American Revolution 2.0 or slavery, it's that simple

- **~100 areas of MASSIVE .01% criminality:** Given the above documented past, along with [~100 areas](#) of game-changing proofs of similar massive importance, Americans face a choice of ongoing *Evil Empire* that [assassinated JFK, RFK, and MLK](#), **or** to stand for .01% arrests for OBVIOUS crimes centered in war and money. The Deep State murdered the US President in 1963, murdered the man who would have won the Presidency in 1968 and end the election-cancelling, lie-started, and Orwellian-illegal [Vietnam War](#) in 1968, and murdered the most powerful American voice of peace and justice in my lifetime. This is a call to stand that *people* hear, and *sheeple* ignore.
- **.01% arrests OR slavery to psychopaths:** The choice to stand for lawful arrests of War Criminals and [bankster looters](#) (and worse with Epstein's criminal accomplices for [crimes against children](#)) makes one a Patriot. The choice to stand with the Empire in ignorance makes one a Sheeple. The choice to stand with the Empire in knowledge makes one Evil to the degree of choosing Evil *with knowledge*. From my observations and work over 43 years' engagement, I conclude that ~98% of people are really *Sheeple*: beings who reject important areas of objective fact because they obey "official" messages and/or what "celebrities" endorse. Perhaps a Patriot's job is to be an apparently powerless messenger to the people around us, while seeking networks to synergize for victory. Because our communications appear to fail ~98% of the time and seem to move sheeple closer to the "security" of the Empire's "propaganda," despite in my case having 43 years of practice, "Trust the Plan" is revealed as trusting God/Life's plan. Paradox: the more powerful we seem to become as messengers, the less powerful our results seem to be with family, friends, and colleagues!
- **Fog of war:** *American Revolution 2.0* exists within a [PsyOp](#); either *White Hat* or *Black Hat* controlled. I say we're witnessing a *White Hat* controlled roll-out of "The Show" to reveal *The Evil* to *We the Sheeple*. The only *Black Hat* possible path to victory I can imagine is next-level Demonic audition to descend to a more-Evil level of Hell: an elaborate pretext with great acting to initiate *Civil War 2.0*. That said, I don't conclude our opponents are that motivated nor imaginative. All evidence aligns with Q being true with *White Hat* visible victory before 2020 ends ([ongoing weekly discussions](#)).

## Future: Building Heaven on Earth + discovering who we really are

- **Solutions + release from fear and torture:** Ending war and debt-slavery, unleashing love and [solutions](#) to provide [everyone's economic needs](#), and media communicating our most important truths will create an unrecognizable world of virtue. We will be free to create without psychopathic Satanists in control of Earth. This will be unimaginably great :)
- **Real history of who we are:** I can [prove some](#) of what's happened on Earth's [Space Opera](#), and victory will reveal our true past (the Vatican Library will reveal much). The truth shall set us free. Human beings will ascend into a future brighter than we can imagine.
- **Ascension:** I can point to [tantalizing history and testimonies](#) that Ascension is a solar evolution event. Whatever is true will be revealed only after victory of *American Revolution 2.0*.

I recommend [Thrive I & II](#) (and [here](#)), and [The Venus Project](#) (and [here](#)) to better imagine what Earth can become with victory of Good over Evil. Their documentary trailers:

## Want to talk with Socrates about revolution, our past, and unimaginably bright future?

I did.

This is a [9-part essay series](#) “with Socrates” to perhaps better frame *American Revolution 2.0*, given Socrates’ experience from asking obvious questions about his government’s empire pretending to be “for freedom.”

Individuals who choose apathy might have to repeat the lessons on Earth to discern **good** from **evil**. There’s much worse history I discuss with Socrates to encourage everyone’s choices, but you’ve received enough evidence here to consider we’ve experienced Hell on Earth.

Stand now, or risk living the same evil show again:

[Dante](#): *Abandon all hope, ye who enter here.*

[Shakespeare](#): *Hell is empty and all the devils are here.*

*I make all factual assertions as a [National Board Certified Teacher](#) of US Government, Economics, and History (also credentialed in Mathematics), with all economic factual claims receiving zero refutation since I began writing in 2008 among [Advanced Placement Macroeconomics](#) teachers on [our discussion board](#), public audiences of these articles, and [international conferences](#) (and [here](#)). I invite readers to empower their civic voices with the strongest comprehensive facts most important to building a brighter future. I challenge professionals, academics, and citizens to add their voices for the benefit of all Earth’s inhabitants.*

The biggest thing is to learn that the U.S. is a corporation and it is legally defined as the ten square miles surrounding Washington D.C. You are Americans, not US citizens. Remember to never show cops your ID. IF you do, you are implying that you are a US citizen traveling to that state to do business.

Thank you. Yes, the police are managed for our opponents' protection, not ours.

We living through a global communist coup, with America the last to fall.

"Use the courts, use the judges, use the constitution of the country, use its medical societies and its laws to further our ends. Do not stint in your labor in this direction. And when you have succeeded you will discover that you can now effect your own legislation at will and you can, by careful organisation, by constant campaigns about the terrors of society, by pretence as to your effectiveness, make the capitalist himself, by his own appropriation, finance a large portion of the quiet Communist conquest of that nation." (Address of Laventria Beria, The Communist Textbook on Psychopolitics, page 8).

"Most terrorists are false flag terrorists, or are created by our own security services. In the United States, every single terrorist incident we have had, has been a false flag, or has been an informant pushed on by the FBI. "

David Steele, Marine Intelligence Officer and former CIA officer

When Trump joked about buying Greenland, Denmark replied, can we buy America from Israel?

"Communism is not [and never was] a creation of the masses to overthrow the Banking establishment, but rather a creation of the Banking establishment to overthrow and enslave the people."-Anthony J. Hilder

Ronald Reagan warned in 1961—"One of the traditional methods of imposing statism or socialism on a people has been by way of medicine. It is very easy to disguise a medical program as a humanitarian project." Students of the history of collectivism will also recognize that calls for increasing the power of the state over the individual is always couched in terms of the "public good" and "protecting the public." That is, it is a "crisis"

that demands collectivist solutions and these solutions must be accepted without debate or analysis by critics or more thoughtful and cautionary individuals. The perfect example of this is the debate over vaccine effectiveness and safety.

"Our interests in Washington are greatly extending the Point Four Program (viz. Colombo Plan) for developing industry in backward areas of the world, so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the Whites can offer no resistance against the large masses of the dark races, who will maintain an unchallenged technological superiority. And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israeli will reveal herself in all her glorious destiny as the Light of the World." Rabbi Rabbinovitch, Emergency Council of European Rabbis in Budapest, Hungary, Jan 12, 1952

"I want to tell you something very clear: Don't worry about the American pressure on Israel. We the Jewish people, control America, and the Americans know it."  
Ariel Sharon 2001

"We're conducting the expansionist policy of Israel and everybody's afraid to say it. They control much of the media, they control much of the commerce of the country, and they control the powerfully both bodies of the Congress. They, Israel...own Congress." Congressman Jim Traficant

We don't repeat history because we don't know it...we repeat it because what we do know is false, allowing the guilty to use the same strategy over and over again...

IMHO Empires don't fall, they don't end...they transform.
