

WHAT WE HAVE FOUND:

- Uncovered a **Foreign Power** agenda to

STEAL OUR HOMES & LAND

- It has been going on for a long time.
- The people of Australia have been kept in the dark.

This Agenda is called:

The United Nations Agenda 21

or

you may have heard it referred to as:

**“sustainable
development”**

Foreign Power Agenda to STEAL our LAND

Agenda 21

A contract that binds governments around the world to the United Nation's (UN) plan for controlling the way we live, eat, learn, move and communicate – all under the noble banner of saving the earth!!

Fully implemented, A21 would have **GOVERNMENT INVOLVED** in **EVERY** aspect of life of **EVERY** human being on the earth!!

In 1992 **PAUL KEATING** transferred
Australia over to the United Nations!

DID HE ASK US?

NO!

Council and Government plans are:
NOT ALLOWED to contradict
ANY PART
of
Agenda 21!

Local authorities are audited by the UN to ensure this!
12,000 local and federal authorities have legally
committed themselves to the Agenda.

1990 **Kim Beasley** in Federal Parliament stated:

"The United Nations has given Federal Government a Mandate of ownership for housing, farms, property and business to Government Control, once the Republic has been proclaimed".

So there you have the real reason for the push to become a republic.

LAND TITLES

Titles have all been moved into and under the **United States Securities and Exchange Commission (USSEC)** in America **WITHOUT** landholders knowledge through a company called the ***'Brigalow Corporation'***

**Did they ask YOU,
the Title Holder?**

NO!

Have YOU tried to get hold of your land title recently?

If so, did you get your original title or a modified one?

(do this exercise and find out for yourself!)

What else has this foreign Agenda done while we slept?

They have traded **ALL** our **birth certificates**.

Within **48 hours** of birth a child is allocated a

CUSIP Number

A bond is issued on the back of each birth certificate which is then traded.

	A	B	C	D
1	Cusip	Maturity	Ask	Bid
2	912833C40	7/15/2007	99.9555	99.9455
3	9128334D9	7/31/2007	99.7564	99.7464
4	912833C57	8/15/2007	99.5566	99.5566

Is this why we are made to register the birth of each of our children?

Did they tell you this when you registered your child's birth?

Did they tell you this when the birth of your grandchild was registered?

They did not tell us!

Our Children & Grandchildren are being traded for
money!

They are traded for their
future earning capacity.

Is this
**LEGALISED HUMAN
TRAFFICKING?**

Our Government has sold:

- **OUR CHILDREN**
- **OUR GRANDCHILDREN**
 - **OUR TITLES**
 - **OUR LAND**
 - **OUR HOMES**

SOLD

**What else will we allow them to
take before we
WAKE UP?**

**What else do YOU have left for
them to take?**

Men and Women fought and died to grant us the rights and freedoms we have (or had).

We owe it to them to not allow their sacrifices to be in vain.

We owe it to future generations!

They deserve a legacy

better than what has been planned for them under Agenda 21.

They deserve freedom **NOT** control of what they eat, they learn, they communicate and what they inherit!

We are not at war but we face a huge battle against the system that we believed had our best interest at heart.

It probably did...until this foreign agenda came into play!

How did they do this?

Is there nothing in place that should have protected us from this?

YES, there is!

It is called:

**YOUR
CONSTITUTION**

(Commonwealth of Australia Constitution Act 1900)

Our Constitution *limits* the powers of the Government and offers us our protection under “the blessing of Almighty God”.

Since 1974 The Constitution has not been taught in our schools.

Does this tell you anything?

**Do our governments not want us to know our
rights?**

In Australia we are sovereign.

**WE, the people, hold the power NOT
government!**

**Do they want us to think that THEY hold the
“ultimate power”?**

The only law that overrides our power is
the law of our Creator.... **Divine Law!**

Do not allow our governments to tell you
otherwise!

**HOW DID THIS
HAPPEN?**

To make or change an Act

A 'Bill' (proposal) is created in Parliament/ by our Govt.

The Bill explains why the new Act is needed

Parliament discuss and may make changes to the Bill

If the Bill needs a Referendum

The people must vote before the new Act can be made or changed in Parliament.

Section 128 of The Australian Constitution clearly states that:

If a *Referendum* is **not done** when it is supposed to be, then...

any *Bill / Act* made/amended without the people's vote is invalid in law.

An example: Australia Act (1986) Bob Hawke

Should this have been put to a referendum?

Was it? NO!

Yet it diminished our rights & the protection afforded to us by our Constitution.

Some *Laws and Acts*, that required a *Referendum*, have been changed by the Government without taking it to the people and allowing them to have their say at a *Referendum*.

This clearly creates **illegal Laws and Acts** to which our Government holds *us* accountable.

COMMONWEALTH OF AUSTRALIA CONSTITUTION ACT - SECT 128

Mode of altering the Constitution

And if in a **majority of the States a majority of the electors voting** approve the proposed law,, it shall be presented to the Governor-General for the Queen's assent.

No alterationshall become law unless the majority of the electors voting in that State approve the proposed law.

How did this happen?

As a result from not holding these *Referendums*, the **Crown of the United Kingdom was removed.**

This was done several times throughout the law.

What Acts have been changed that required a referendum but did not go to a referendum?

- The Australia Act (1986) *Bob Hawke*
- **Acts Amendment and Repeal (Courts and Legal Practice) Act 2003**
- The Bail Act (1982)
- Children's Court of Western Australia Act (1988)
- The Criminal Code
- Family Court Act (1997)
- Juries Act (1957)
- Local Courts Act (1904)
- Supreme Court Act (1935)
- Director of Public Prosecutions Act (1991)
- District Court of Western Australia Act (1969)
- Justices Act (1957)

And the list goes on and on.....

Why would something that happened in WA be relevant to us in the State of Victoria?

In the preamble of the Constitution it says that the states have

“...agreed to unite in one indissoluble Federal Commonwealth under the Crown of the United Kingdom of Great Britain and Ireland, ...”

What does it mean to remove The Crown?

Head of State = The Crown / Governor General
(GG)

The GG is not an elected position
free to exercise impartiality

If it were an elected position
those funding it would want special favours so
GG cannot remain impartial or uncorrupted.

The GG should be appointed by Queen = The Governor General's Allegiance is to The Crown (and thereby the People) **NOT** a political party.

In this manner The Crown limits power of politicians and attempts to minimise corruption.

How did this happen?

Removing the Queen,
Removes the Oath of Allegiance!

To remove the Oath of Allegiance without Referendum Consent creates the Criminal Offence of Treason which is a “Breach of Allegiance”.

What laws are they replacing OUR laws with?

The laws are coming out of the **United Nations** under **Agenda 21** and are being silently placed into position within Australia assisted by Trade Unions!

How can our Government do this?

UNLAWFULLY!!

and

Without a referendum!

They have taken away our RIGHTS and expect us to FOLLOW their ILLEGAL LAWS!

Did you know that our Constitution puts the responsibility on us in as much as:

***IT IS OUR DUTY TO NOT OBEY A BAD
LAW?***

Think about the following.....

FACT:

If you are found in possession of stolen or illegally obtained goods, you can be charged.

QUESTION:

If we obey illegal laws, can we be charged simply for obeying them?

Especially considering that the Supreme Law of OUR land puts the responsibility on US by stating that it is *our DUTY not to obey a BAD law?*

What does this mean?

They have already removed The Crown

They have also removed the Crown from the Acts listed previously!

Did they ask you?

YES!

In November 1999 ...the Republic Referendum!

What did YOU tell them?

NO!

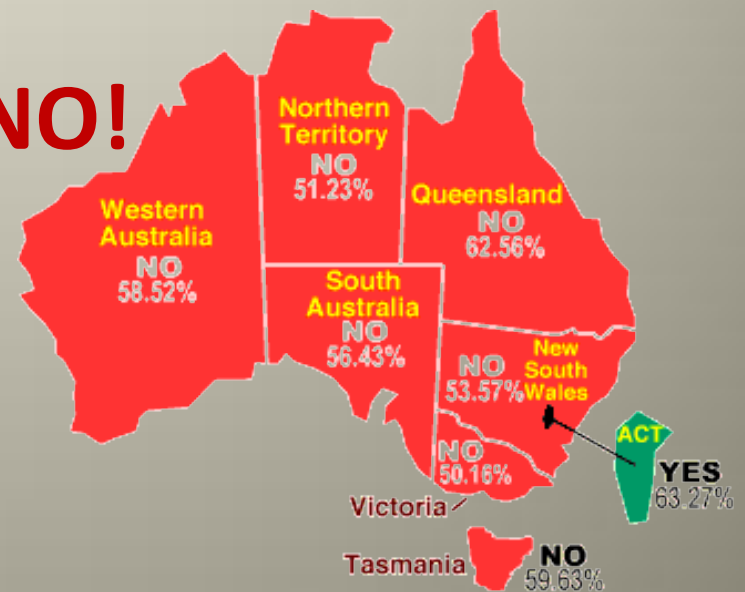

The People wanted The Crown to remain

100% of the States said NO!

and

57% of the People said NO!

Result: Not Carried!

Did they listen?

NO!

They ignored the people and created within this foreign power agenda a new Republican Constitution called:

A

***Constitution
for the Sovereign Nation
of
Australia (2008)***

They have:

- **Removed The Crown**

*which removes **our** protection.* The Crown is an unbiased, incorruptible representation of the **People**

AND

- **Formulated a Republic Constitution!**

Which confirms the robbery of our homes and land for the benefit of the State and Society.

A clear redistribution of wealth!

A key focus of Agenda 21

**It is your corporate owned
and run government working
hard to protect itself...from
YOU!**

Julia Gillard was **ILLEGALLY** sworn in as Prime Minister and is STILL our illegal Prime Minister!

In the Schedule of our Constitution is:

Affirmation:

*“I, A.B., do solemnly and sincerely affirm and declare that I will be faithful and **bear true allegiance to Her Majesty Queen Victoria, Her heirs and successors according to law.**”*

How does she...

“..bear true allegiance to Her Majesty Queen Victoria..”

... if The Crown is removed?

There clearly exists a
BREACH OF ALLIEGANCE!
A Breach of Allegiance by definition is:

TREASON

and

MISPRISON of TREASON

is concealing this fact!

Our Prime Minister, Ms Gillard has been charged before the courts of Australia for the crime of:

MISPRISON OF TREASON.

Misprison of Treason is an **indictable** offense which must be tried before a **Grand Jury of 23 electors.**

This has been **SUPPRESSED** by the *judiciary* and the *media*.

Why has Julia Gillard and others been charged for committing Treason or misprison of Treason?

1. **Breached their Oath of Allegiance** concerning the people of Australia
2. Julia Gillard & others have **broken the existing law to enable them to substitute another law**
3. There was **no permission or referendum sought** to alter or substitute another law!

If you think this cannot
happen, that is the **BIGGEST**
MISTAKE you can make
because it has already happened.

Who is charging Julia Gillard?

A farmer

from

Werribee, Victoria, Australia.

Why is this relevant?

Julia Gillard should have stood down when the criminal charge was filed and served and declared the fact to the public.

Did she do this?

NO!

The concealment remains today.

Hence, Misprison of Treason!

Why is this relevant? continued....

The central issue is a constitutional and criminal infraction of the Commonwealth Constitution.

Section 44 states that:

“Any person who is attainted of TREASON,.....shall be incapable of being chosen or of sitting as a senator or a member of the House of Representatives”

(PENALTY: LIFE IMPRISONMENT)

Can we do anything?

**Reveal and prevent this
attack on OUR COUNTRY!**

It is the responsibility of EACH and every one of *us* to continue to spread the word!

We cannot leave this **foreign agenda** take everything from us.

Our Prime Minister Julia Gillard is a self-declared **Fabian.**

**Julia Gillard: Speech to the Inaugural Fabian Society Annual Dinner,
Melbourne 31 August 2007**

Deputy Labor Leader; Shadow Minister for Employment & Industrial
Relations; Shadow Minister for Social Inclusion

“Over the past few years there’s been a rebirth of interest
in ideas – reflected in the **spurt in membership of the
Fabian Society in Labor ranks**”

“Labor is now creating a new agenda – based on
investing in people”

“new Fabian initiative.....establish a new progressive,
professional think tank – **Per Capita...**”

What is a Fabian?

The Fabians are a breed of Communism who believe in **Collectivism by stealth.**

- Logo until recently was a **Wolf in Sheep's Clothing**
- New logo is a **turtle** because they are "...willing to take their time, to come to power without direct confrontation, working quietly and patiently from inside the target governments." Their motto is "**When I strike, I strike hard**"

Their tactic

“to send their agents into the power centres of society in order to capture control from the inside”

Power centres include:

Labor unions

Political parties

Church organisations

Segments of the media

Educational institutions

Financial institutions

Industrial corporations etc. etc. etc.

“To capture control of a nation, all that is required is to control its power centres.”

Fabians will ALWAYS unite **against** their common enemy, which is ANY opposition to **collectivism!**

“....our Fabian leaders have made up their minds and will not stop striving for it regardless of what the public wants”

Source: Fabian society (The Weather Eye)

They have **hijacked the environmental movement** to use it to their political advantage.

They clearly state that their intent is:

“To use environmental issues as a means to cause people to unite & demand that the issues be fixed, **intending us to demand a global government** that has the authority to “fix” global warming because **sovereign national governments** lack the ability”

Sole purpose:

Control of people, NOT protection of the environment!

The environment is merely their tool of choice!

“...a society where individualism must be relinquished for the betterment of the state.”

“...used carefully planned strategies to slowly wear down his enemies over a long period of time to obtain victory”

Source: Fabian society (The Weather Eye)

What do they want to achieve?

Sustainable Development

What they want you to believe sustainable development is:

Sustainable development is development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

[Brundtland Report, 1987](#)

All sounds good right?

WRONG!

What sustainable development **REALLY** is:

Population control.

Purported legalised genocide!

“The phrase ‘**sustainable development**’ really means ‘**population control**’ ...the depopulation of man-kind, the enslavement of man, forcing humans into compact zones surrounded by protected wild-life where he is prohibited from entering, a social distribution of wealth, the complete centralisation of all governments and wealth in the hands of a few dictators in the United Nations. **A total bureaucratic, technological slave-grid. In other words hell on earth.**”

Source:

“Agenda 21 Will Create World Government Dictatorship”

Alex Jones – *Because there is a war on for your mind*” (20/10/2009)

What do they want to achieve?

Centralised planning

“the will of a small minority is imposed upon people.....The power of these minorities to act by taking money or property in pursuit of centralised goals, destroy the Rule of Law and individual freedoms”

And they clearly intend to do this by “...*restraint and servitude...*”

The Fabian Society is a key component of the global mechanism that is transferring **control & ownership of Australia to the forces of globalisation.....**are clearly succeeding in their plan to restructure our entire ECONOMY. It has **been carried out so well that the populace of Australia are completely unaware that it has happened**”

Source: "The Fabian Society Flies Under the Radar, Aussie Stock Forums"

In 1984 **Bob Hawke** said:

“The Fabian Society acknowledges the principle tenet of Marxism, **the abolition of private property, in this case to own land.by accepting the non-violent road of patient gradualism to total government**”

So who are our Fabian Leaders?

Australia has had **5 successive Fabian Prime Ministers** since 1970:

1. Gough Whitlam,
2. Bob Hawke,
3. Paul Keating,
4. Kevin Rudd and
5. Julia Gillard.

How will they achieve this?

Remember Agenda 21?

It rears its ugly head again!

1987

UN Earth Charter originated to guide the transition to **sustainable development** through the *“Universal Declaration on Environmental Protection and Sustainable Development”*

In 1992:

Rio Earth Summit.

Maurice Strong (UN Secretary General)
proposed an Earth Charter.

**Agenda 21 was the main outcome of this
Summit**

Agenda 21:

“...is a plan of action....in every area in which humans impact on the environment”

will cost an estimated US\$125billion per annum for implementing the 40 chapters of Agenda 21!

is a “sum zero game when it comes to new money..”. In other words it has to be funded using existing money!!!

Agenda 21:

It is the reason for...**GREEN TAXES**...soon there will also be a
UN Carbon tax!

It is been planned to be implemented....

Danish Environmental Minister of the EU Council, Suen Auken, clearly
states:

“It has to happen””It’s just a matter of time”

Hold onto your seats!

The ride is going to get a lot wilder IF we allow it!

Chapter 28 of Agenda 21 speaks to a Local Agenda 21 or LA21:

UN Direction is to implement the plan locally!!

Federal Governments are bypassed and agreements are made directly with the UN and local governments!!

Could this be yet another reason they are seeking recognition in The Constitution?

Paul Keating was one of 170 other world leaders who signed this agreement and since then the UN has bypassed Federal Governments to make agreements directly with local governments!!

Local Governments are now copying the land-use plans prescribed by Agenda 21!

This is what we are suffering RIGHT NOW!!

“The Australian Keating Government committed us to a persistent plan towards World Communism at the Rio De Janeiro Earth Summit Conference in June 1992 when it agreed to Agenda 21 which committed Australia to a second United Nations Earth Summit in the same city in 20 years time to be advanced by 2.0 Government plans in the meantime. This 2.0 plans envisaged **abolition of all private ownership including land and housing to be confirmed by the Kyoto Protocols”**

(Dr Amy McGrath, Australia Agenda 21 – Towards Rio 2012)

Could this be why homeowners and landowners are being charged tens of thousands of dollars in Council rates and Land tax?

Such property associated debt makes property unaffordable for people and forces it into State control!

Exactly what they want!

No more freehold land!

Fits in with Agenda 21 **AND**
the Republic Constitution

Their goals **clearly** include:

- 
- Reducing private property ownership
 - Reducing single family homes
 - Reducing private car ownership
 - Reducing privately owned farms

**“A plan for social justice that will redistribute
wealth”**

**Tax-payer funded social welfare – not only within
your country *but globally....***

1994

Earth Charter Commission formed

Convened by **M. Gorbachev** (Former President of Soviet Russia) and **M. Strong** (UN Secretary General)

**Gorbachev and Strong co-authored
Agenda 21!**

1997

UN Rio+5

Promise from all for further action

2002

UN Rio+10

Affirmation of UN commitment toward full implementation of Agenda 21

2012

Rio De Janeiro +20

All leaders that signed the agreement (known as C40 cities), reconvened to:

- “showcase how they have adopted meaningful climate change policies and to encourage even greater commitment to our goals”
- “highlight the actions local governments are taking to promote sustainable development in an urban environment”

If you are interested, take a look at:

“Council Report: Proposed travel by Cr. Cathy Oke, ICLEI World Congress and Rio+20, Brazil, June 2012”

City of Melbourne , Agenda item 7.1 on the 24/4/2012

City of Melbourne and **ICLEI** funded Councillor to attend Rio+20 to *“enable her to promote Council’s sustainability objectives and further enhance Melbourne’s reputation as a leading sustainable city”*

“The City of Melbourne is the host city for the ICLEI Oceania regional office and Councillor Oke is currently a member of the ICLEI Executive Committee and Chair of the ICLEI Oceania Board. Cr Oke has been elected to the new Regional Executive Committee (RexCom) which will be formally established at the World Congress”

ICLEI Oceania Head Office

Level 1, 200 Little Collins Street
Melbourne Vic 3000

This is why local governments want Constitutional recognition.

To give local Councils:

authority to exist as they now exist unlawfully
and

to eliminate State Government and become
“SUPER COUNCILS” as is the plan in the new
Republican Constitution drafted in 2008.

They are **“SHOWCASING”** and **“HIGHLIGHTING”** how they are ruining our lives!

They are **“SHOWCASING”** and **“HIGHLIGHTING”** how they are controlling us!

They are **“SHOWCASING”** and **“HIGHLIGHTING”** how they are stealing our homes & land!

They are **“SHOWCASING”** and **“HIGHLIGHTING”** how they are selling our families!

Does this sound like history repeating itself?

Billions of dollars have been given to organisations like **ICLEI** by Fabians, Masons and Communist Party affiliated individuals to ensure that this gets done!

“A21 promotes goals that will erode our freedom and liberties”

**ICLEI is a German organisation.
It is the **I**nternational **C**ouncil for **L**ocal
Environmental **I**nitiatives**

Who is a member of ICLEI?

MAV (Municipal Association of Victoria)

ALGA (Australian Local Government Association)

Our Councils pay \$10,000's for annual memberships to these corporations!

And who is a member of both MAV and ALGA?

**City of Melton Council and the
Wyndham City Council...etc....**

Do you NOW understand why Councils like Melton and Wyndham are increasing rates up to 400% and 700% respectively?

Because they HAVE TO!

They are under 'mandate' from the UN to abolish private ownership of **everything!!**

Easiest way to take control of private property is to put it into debt.

They want YOUR land and your home so that they can report back to the UN that they are '*on track*' with Agenda 21!

The means are not important.
It is the end product they want.

YOUR LAND, YOUR HOME

and

TOTAL CONTROL OVER YOU and YOUR CHILDREN!

**Too much information?
ABSOLUTELY!**

Our Government has purposely woven a web of deception.

“A web of protective propaganda guards the United Nations” *None dare call it Treason, John R. Stomper 1969*

It is (as they themselves admit) the only way they will get the masses to gradually assimilate to their deceitful plan!

Pressure from People forced the Governments in:

Alabama,
Kansas
and
Tennessee

To put in resolutions to abolish Agenda 21.

These states have now all **outlawed Agenda 21!**

WE MUST FOLLOW SUIT!

Where to from here?

We will not give up!

Chronicles 2 7:14 says

“**IF** my people....humble themselves, and pray and seek my face and turn from their wicked ways, then will I hear from heaven, and will forgive their sin and will **heal their land.**”

Where to from here?

Preserve our SOVEREIGNTY!

Much of Agenda 21 can only be met by a surrender of sovereignty of the nations of the world to a one world government created by the United Nations

Protect our democracy

“Democracy is not a panacea....The fact must be faced squarely. Sacrilegious though this may sound, democracy is not suited for the tasks ahead.”

The Club of Rome also preaches that democracy, as a failure, must be doomed. Its bombastic utterances are:

1. “Democracy has failed us. A new system of global governance is required”
2. “Humans only unite when faced with a powerful external enemy”
3. **“A new enemy has to be found – one either real or invented for the purpose”**

Source: Club of Rome

Tell ALL your friends, your neighbours, your family.

TELL YOUR CHILDREN!

“Evil only prospers when good men do nothing!”

John Philpot Curran
