Dear Dr Mazzocchi,

Your manuscript "The Machine Republic: Constitutional Intelligence and the Architecture of Sovereign AI" has now been assessed. If there are any reviewer comments on your manuscript, you can find them at the end of this email.

Regrettably, your manuscript has been rejected for publication in AI & SOCIETY.

Editor Comments

"This submission is presented through the body as a sort of long form poem, with diagrams pasted between long pages of bulleted points. Main problem, relevant work is not engaged in sufficient detail and depth to establish the significance of this work. The idea might be a good one, but as presented, it is not a suitable candidate for publication in this journal, especially given competition. "

Review Editor-Jeff White

Thank you for the opportunity to review your work. I'm sorry that we cannot be more positive on this occasion and hope you will not be deterred from submitting future work to AI & SOCIETY.
