D.S. and Fade on Chorus

There was a time
 When I was so broken hearted
 Love wasn't much of a friend of mine
 The tables have turned, yeah
 'Cause me and them ways have parted
 That kind of love was the killin' kind

Listen,
 all I want is someone I can't resist
 I know all I need to know
 by the way that I got kissed

I was cryin' when I met you
 Now I'm tryin' to forget you
 Your love it sweet misery
 I was cryin' just to get you
 Now I'm dyin' 'cause I let you
 Do what you do down on me

Now there's not even breathin' room
 Between pleasure and pain
 Yeah you cry when we're makin' love
 Must be one and the same

It's down on me
 Yeah I got to tell you one thing
 It's been on my mind
 Girl, I gotta say
 We're partners in crime
 You got that certain something
 What you give to me
 Takes my breath away

Now the word out on the street
 Is the devil's in your kiss
 If our love goes up in flames
 It's a fire I can't resist

I was cryin' when I met you
 Now I'm tryin' to forget you
 Your love is sweet misery
 I was cryin' just to get you
 Now I'm dyin' 'cause I let you
 Do what you do to me

'Cause what you got inside
 Ain't where your love should stay
 Yeah, our love, sweet love, ain't love
 'Til you give your heart away
