Springer offers authors the option of making their articles available with open access via our Open Choice programme. We advise you to familiarise yourself with the details of Springer Open Choice in advance, in order to be able to decide quickly should your paper be accepted for publication. Further information can be found at [www.springer.com/openchoice](http://www.springer.com/openchoice).

Alternatively, please call us at 001-630-468-7784 (outside the US)/(630)-468-7784 (within the US) anytime from Monday to Friday.

With kind regards,

Journals Editorial Office PHTE  
Springer

Now that your article will undergo the editorial and peer review process, it is the right time to think about publishing your article as open access. With open access your article will become freely available to anyone worldwide and you will easily comply with open access mandates. Springer's open access offering for this journal is called Open Choice (find more information on [www.springer.com/openchoice](http://www.springer.com/openchoice)). Once your article is accepted, you will be offered the option to publish through open access. So you might want to talk to your institution and funder now to see how payment could be organized; for an overview of available open access funding please go to [www.springer.com/oafunding](http://www.springer.com/oafunding). Although for now you don't have to do anything, we would like to let you know about your upcoming options.

This letter contains confidential information, is for your own use, and should not be forwarded to third parties.

Recipients of this email are registered users within the Editorial Manager database for this journal. We will keep your information on file to use in the process of submitting, evaluating and publishing a manuscript. For more information on how we use your personal details please see our privacy policy at <https://www.springernature.com/production-privacy-policy>. If you no longer wish to receive messages from this journal or you have questions regarding database management, please contact the Publication Office at the link below.

In compliance with data protection regulations, you may request that we remove your personal registration details at any time. (Use the following URL: <https://www.editorialmanager.com/phte/login.asp?a=r>). Please contact the publication office if you have any questions.
