Lex Fiducia: Engineering Trust Through Immutable Ethics
Computer Law & Security Review: The International Journal of Technology Law and Practice

Dear Mr Mazzocchetti,

Thank you for submitting your manuscript to Computer Law & Security Review: The International Journal of Technology Law and Practice. I regret to inform you that we have decided against publishing your submission. In brief, it was felt that your paper did not significantly advance the state of the art in the way that would ordinarily be expected of a paper published in CLSR.

For your information and guidance, any specific comments explaining why I have reached this decision and those received from reviewers, if available, are listed at the end of this letter.

We appreciate your submitting your manuscript to this journal and for giving us the opportunity to consider your work.

Kind regards,

Henry Pearce
Editor-in-Chief
Computer Law & Security Review: The International Journal of Technology Law and Practice
