

At the Constitutional Convention, the Constitutional Delegates voted to approve the constitution text to be put on-chain for vote. They were asked to vote yes, no or abstain to this question:

“Shall the Cardano Constitution text, located at the link and with the hash as stated below, be approved for on-chain submission as a New Constitution governance action?

Text: 2a61e2f4b63442978140c77a70daab3961b22b12b63b13949a390c097214d1c5

Link to Constitution Text:

<https://docs.intersectmbo.org/cardano/cardano-governance/cardano-constitution/draft-cardano-constitution/constitutional-convention-draft-version-day-2> ”

The vote result was recorded on the Cardano blockchain. The transaction hash of the complete vote result can be used to locate it:
